8 If you want to install the cabinet on the wall, please refer this instruction;

Mounting Cabinet Installation - Due to the various wall construction methods, it is up to a professional installer to secure the Wall Mounting Board (W) to the wall with the proper fasteners and/or anchors as required by the wall construction at the desired mounting location. SAFCO does not take responsibility for safe, proper fastening.

To Hang Cabinet - Position cabinet so that Mounting Board (X) is above Wall Mounting Board (W), and lower cabinet until Mounting Board (X) and Wall Mounting Board (W) lock together.
